***Kick off the summer with hundreds of fellow urbanists abuzz about the future of San Jose!***

It is my pleasure to invite you to join us at the **2019 SPUR Summer Party on Wednesday, June 12** as our complimentary guest.

The SPUR Member Parties reach across the Bay Area, bringing together a community of urbanists to celebrate city life — and SPUR!

Join us at San Pedro Square Market and mingle with SPUR's diverse and engaged membership, sample an array of local food, sip handcrafted cocktails and enjoy great conversation.

**Cost:** You are granted (2) complimentary admissions to the event. This is non-transferrable. If you would like to bring additional guests, individual tickets can be purchased here.

**RSVP:** Email [events@spur.org](mailto:events@spur.org)
